DEPARTMENT OF ENVIRONMENTAL PROTECTION COMMENTS**

(John Mitchell: June 12, 1997)

**COMMENT:**

I have completed the ~~technical~~ review of the above referenced document ~~dated M a y 23, 1997~~ (received May 27, 1997). The document ~~can be incorporated as final~~. However, with the ~~final~~ document errata pages, I recommend deleting the word "em-subcommittee" on pages 5, 8, and 11. The Tier I Partnering ~~Team~~ made the decisions at the recommendations of the ~~eco-subcommittee~~.

**RESPONSE:**

Although the NAS Pensacola Tier I ~~Team~~ is the decision making body ~~on~~ these issues, the ~~eco-subcommittee~~ did chose or select the assessment endpoints, measurement endpoints, and sample locations which the Team provided ~~consensus~~ on ~~as~~ recorded in meeting minutes. The text changes recommended ~~are~~ not warranted in that they do not affect ~~the~~ purpose of the document. No changes have been made.
