Re: Final Proposed Plans,
Site 1, Site 2, Site 42, and OU 6
NAS Pensacola
Contract # N62467-89-D-0318/083

Dear Ms. Townsend:

On behalf of the Navy, EnSafe Inc. is pleased to submit two copies of the Final Proposed Plans for the following sites at the Naval Air Station Pensacola in Pensacola, Florida.

Site 1	-	Inactive Sanitary Landfill
Site 2	-	Waterfront Sediments
OU 6	-	Sites 9 (Navy Yard Disposal Area) and Site 29 (Soil South of Building 3460)
Site 42	-	Pensacola Bay

These documents are preliminary finals which address verbal comments received from FDEP and EPA. The plans will be copied for distribution to the mailing list for the December 8, 1997, to January 22, 1998 comment period. The Site 17 Proposed Plan, which will also be included in the public comment period, was not included in this package because all comments were previously addressed and the preliminary final of that document was submitted to you on July 3, 1997. Please let me know if you have any additional comments or changes by December 1, 1997 so that your comments may be addressed. If you should have any questions or need any additional information regarding the documents, please do not hesitate to call me.

Sincerely,

EnSafe Inc.
