Dear Mr. Hill:

I have completed the technical review of the above referenced document dated September 23, 1999 (received September 24, 1999). The document appears adequate for its intent.

The distribution of lead in this area (see Figure 5) should be evaluated further in conjunction with the investigation at Building 72.

If I can be of any further assistance with this matter, please contact me at (850) 921-9989.

Sincerely,
