Contract Task Order No. 0355

**Subject: Resubmitted of the Draft Sampling and Analysis Plan and Final Health and Safety Plan for the Remedial Investigation at Site 43, Naval Air Station Pensacola, Pensacola, Florida**

Dear Mr. Hill:

Tetra Tech NUS is pleased to resubmit the Draft Sampling and Analysis Plan and Final Health and Safety Plan for the Remedial Investigation at Site 43 Naval Air Station (NAS) Pensacola, Pensacola Florida. This document was originally submitted to the Navy on July 27, 2004; but was not forwarded to the Naval Air Station Partnering Team at that time. This resubmitted is only for the Partnering Team members that did not receive the original submittal. Following receipt and incorporation of comments and/or approval of the Sampling and Analysis Plan, TtNUS will submit the final edition of the document to the NAS Pensacola Partnering Team.

If you have any questions regarding this plan or require further information, please contact me at (904) 385-9899.

Sincerely,

Gerald Walker, P.G.  
Task Order Manager
