## Department of Environmental Protection

Jeb Bush  
Governor

Twin Towers Building  
2600 Blair Stone Road  
Tallahassee, Florida 32399-2400

Colleen M. Castille  
Secretary

**OFFICIAL CORRESPONDENCE - This electronic message is sent in lieu of regular mail**

From: Tracie L. Vaught

Date: November 15, 2005

To: Bill Hill

Facility: Naval Air Station Pensacola

Site or Document and Date:

1. Enhanced Natural Attenuation Treatability Study Fifth Quarter Groundwater Monitoring Letter Report, for Underground Storage Tank Site 1120, dated June 10, 2005.
2. Enhanced Natural Attenuation Treatability Study Sixth Quarter Groundwater Monitoring Letter Report, for Underground Storage Tank Site 1120, dated September 24, 2005.

Both of these documents are approved and the Department concurs with continuing to monitor the groundwater for the parameters listed in the Treatability Study completed for this site.
