Re: SITE ASSESSMENT REPORT (SAR) - TACAN FACILITY (BUILDING 1917)
NAVAL AIR STATION PENSACOLA

Dear Mrs. Vaught:

Enclosed is one hard and electronic file copy of the subject report for the diesel fuel leak at the Tacan Facility (Building 1917) located at Naval Air Station Pensacola, Florida. If you have any questions, please contact William H. Taylor at (850) 452-4611 (ext. 3100) or Greg Campbell, P.E., of my staff at 452-4611 (ext. 3103).

Sincerely,

William H. Taylor Jr
WILLIAM H. TAYLOR, JR.
Environmental Officer
By direction of
the Commanding Officer
