U.S. EPA ID FL9170024567

***EPA Approval: Navy request (November 24, 2010) for extension of submittal date for the Naval Air Station (NAS) Pensacola Operable Unit (OU) 16, Site 41, Combined Wetlands Draft Feasibility Study***

Dear Ms. Whittimore:

The purpose of this letter is to provide EPA written approval of the subject extension request for submittal of the Draft Feasibility Study (FS) for OU 16/Site 41 from 30 November 2010 to 30 December 2010. Region 4 understands that the previous EPA Remedial Project Manager provided verbal approval of this extension request. EPA Region 4 acknowledges receipt of the Draft FS in our offices on 30 December 2010, consistent with the Navy's extension request (Reference: Transmittal letter from G. Walker, Tetra Tech, dated 29 December 2010).

Please do not hesitate to contact me via electronic mail at [corkran.julie@epa.gov](mailto:corkran.julie@epa.gov) or at 404-562-8547 if you have any questions about this correspondence.

Sincerely,

A handwritten signature in cursive script that reads "Julie L. Corkran".

Julie L. Corkran, Ph.D.  
Senior Remedial Project Manager  
Federal Facilities Branch  
Superfund Division
