RE: Federal Facilities Draft Final Site Management Plan (SMP) Calendar Year 2012 for
Naval Air Station Pensacola, Pensacola, Florida.

Dear Patty:

The Department has reviewed the Federal Facilities Draft Final Site Management Plan (SMP) Calendar Year 2012 for Naval Air Station Pensacola dated November 2011 (received by e-mail November 7, 2011) and the Navy's Response to Comments for the Federal Facilities Agreement Draft Site Management Plan Calendar Year 2012 for Naval Air Station Pensacola, dated October 14, 2011 (received October 17, 2011). Comments 5 through 8 have been addressed by greatly simplifying the site description and removing much of the site history. This response and the responses to our other comments are acceptable to the Department. Upon resolution of EPA's comments on the SMP, the Department believes the SMP may be finalized.

If you have any questions regarding this letter, please contact me at (850) 245-8997.

Sincerely,

A handwritten signature in blue ink that reads 'David P. Grabka'. The signature is written in a cursive style and is followed by a long horizontal line.

David P. Grabka, P.G.
