RE: Contamination Assessment Report Addendum
Site 3557S
NAS Pensacola, Florida 32508

Dear Mr. Campbell:

I have completed the technical review of the Contamination Assessment Report (CAR) Addendum and No Further Action Proposal (NFAP) dated July 1994 (received July 29, 1994), and Response to Comments dated October 17, 1994 (received October 17, 1994) and December 19, 1994 (received December 21, 1994), submitted for this site. Based upon my review and comments, the enclosed Site Rehabilitation Completion Order was signed by Mr. John M. Ruddell, Director of the Division of Waste Management. The No Further Action Proposal was incorporated by reference in the Site Rehabilitation Completion Order.

If I can be of any further assistance with this matter, please contact me at (904) 488-3935.

Sincerely,

David M. Clowes
Remedial Project Manager
