**Subject: Risk Based Closure Request for Underground Storage Tank (UST) Site 1120,
Outlying Landing Field Bronson, Pensacola, Florida**

Dear Mr. Marajh-Whitemore:

Tetra Tech NUS is pleased to submit this Draft Final Risk Based Closure Request Underground Storage Tank (UST) Site 1120 located at Outlying Landing Field (OLF) Bronson, Florida. This document was completed based on the Navy's decision to pursue the risk based closure instead of the the formerly proposed Treatability Study. As indicated below a copy of this document has also been forwarded to Ms. Tracie Bolanos at the Florida Department of Environmental Protection (FDEP) for review and comment. In addition, an electronic copy of the document is also included on the enclosed CD.

Following the review and incorporation of any reviewer comments in this document a final edition of this document will be completed. If you have any questions or concerns please contact me at (850) 385-9899.

Sincerely yours,

A handwritten signature in cursive script that reads "Gerald Walker".
