Subject: 2013 NAS Pensacola Site Management Plan Extension 2013-003 for OU 16

David,

On behalf of the Navy, Resolution Consultants is pleased to submit the attached Milestone Schedule Extension Request for the Calendar Year 2013 NAS Pensacola Site Management Plan (SMP), Extension Number 2013-003. The extension request is to extend the submittal date for the Draft Final Sampling and Analysis Plan for OU 16 - Site 41 at the Naval Air Station (NAS) Pensacola, Pensacola, Florida. Attached separately is a milestone schedule extension Gantt chart which projects future document submittal dates.

Please see the attached Memo to File documenting the indicated changes to the schedule and the included revised Gantt chart. Following your review of the document, if appropriate please sign the document and forward for additional regulatory signature approval.

Please let Patty or me know if you have any questions or need additional information. Thank you.
