All,  
Attached are the Response to Comments and Draft Final Sampling and Analysis Plan, (Field Sampling Plan and Quality Assurance Project Plan), April 2014, Groundwater/Surface Water Interface for Operable Unit (OU) 2, Sites 11 and 30, Naval Air Station (NAS) Pensacola, Pensacola, Florida. Comments were received from EPA on March 20, 2014 (response is attached) and approval of the document was received from FDEP on March 13, 2014 (letter attached). The response to comments were discussed and revised during the April 16, 2014 NAS Pensacola Partnering Team meeting and the revised document is attached. The attached UFP SAP includes appendices.

Please review the attached documents and send any comments or questions to Patty and me. Once all questions and comments are addressed, the document will be published as a final document. Thank you.
