Subject: Remedial Action Plan Approval Order  
Site 5 Former AVGAS System  
Saufley Field  
Pensacola, Escambia County  
OCULUS Site ID: DOD\_51\_3488

Dear Mr. Schoolfield:

The Waste Cleanup Program has reviewed the Final Limited Scope Remedial Action Plan (LSRAP) for the Site 5 Former AVGAS System at Saufley Field, dated March 27, 2014 (received March 31, 2014), prepared and submitted by Tetra Tech, Inc. The LSRAP proposes the excavation and disposal of an estimated 19 cubic yards (31 tons) from Area 1 and 7 cubic yards (12 tons) from Area 3, and the subsequent backfilling and restoration of the excavated areas.

We found all the documents submitted to date to be adequate to meet the RAP requirements of Rule 62-780.700, Florida Administrative Code (F.A.C.). The Florida Department of Environmental Protection (Department) has determined that the actions proposed in this LSRAP represent a reasonable strategy toward accomplishing the site-specific cleanup objectives. However, implementation of this LSRAP might not result in a complete cleanup to the applicable cleanup target levels referenced in Chapter 62-777, F.A.C., or site-specific cleanup target levels. At Area 1, contamination above levels acceptable for unrestricted use may be remain under paved areas and where excavations are sloped to prevent collapse or damage to existing structures. A subsequent Land Use Control Implementation Plan may be necessary to accomplish the necessary comprehensive cleanup in accordance with Chapter 62-780, F.A.C. Pursuant to Paragraph 62-780.700(8)(a), F.A.C., the Department approves the LSRAP as described in this RAP Approval Order (Order).

### Legal Issues

The Department's Order shall become final unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, Florida Statutes (F.S.), within 21 days of receipt of this Order. The procedures for petitioning for an administrative hearing are set forth below.

Persons affected by this Order have the following options:

- (A) If you choose to accept the Department's decision regarding the LSRAP you do not have to do anything. This Order is final and effective as of the date on the top of the first page of this Order.
- (B) If you choose to challenge the decision, you may do the following:
  - (1) File a request for an extension of time to file a petition for an administrative hearing with the Department's Agency Clerk in the Office of General Counsel within 21 days of receipt of this Order; such a request should be made if you wish to meet with the Department in an attempt to informally resolve any disputes without first filing a petition for an administrative hearing; or
  - (2) File a petition for an administrative hearing with the Department's Agency Clerk in the Office of General Counsel within 21 days of receipt of this Order.

Please be advised that mediation of this decision pursuant to Section 120.573, F.S., is not available.

Petitioner, if different from John Schoolfield/Naval Facilities Engineering Command Southeast, shall mail a copy of the request to John Schoolfield/Naval Facilities Engineering Command Southeast at the time of filing.
