Re: January 1996 Monthly Operation and Maintenance
Report on the Industrial Wastewater Treatment Plant (IWTP)
Ground-Water Remediation
Naval Air Station (NAS) Pensacola, Florida
Contract No. N62467-93-D-0662, Delivery Order No. 0045
Rust Project No. 33561.000

Dear Sir:

Rust Environment and Infrastructure (Rust) is pleased to submit a monthly operation and maintenance report on the IWTP ground-water remediation for the above referenced project. Two (2) copies of the report have been sent to Mr. Maxie Keisler with Southern Division, Naval Facilities Engineering Command and two (2) copies to Commander, Naval Air Station, Environmental Division, Attention: Mr. Bill Taylor. Rust has the following comments for the month of January 1996.

RECOVERY WELL SYSTEM OPERATION STATUS

RW 1,2 & 3; RW 4 & 6; RW 5A; RW7

1. The recovery well system remained "off-line" during the month of January 1996, as directed.
2. Recovery well water levels were not obtained during the month of January 1996.
