Ms. Shannon:

After review of the 7th update to the Federal Facilities Docket, we have summarized our understanding of the current docket status of Navy facilities appearing on the Docket Additions list. Enclosure (1) is a summary of those facilities in your region. Pending matters are emphasized in bold-face.

As a tool for tracking progress and pending matters from previous updates, enclosure (1) also includes facilities from the Docket Additions lists of updates 4 through 6. If response to this idea is favorable, this format will be used after future updates.

If you have any questions, please contact Don Cunningham at (805) 982-3684.

Sincerely,

STEPHEN E. EIKENBERRY
Head, Environmental Protection Department
By direction of the Commanding Officer
