Request your review/comment by 1 May 96 of the Draft Work Plan recently submitted to your attention by the LANTDIV RAC contractor, OHM, for the upcoming Interim Corrective Measure at SWMU 45 Tank Closure project at U.S. Naval Station Roosevelt Roads, Puerto Rico. Comments to the Draft Plan can be faxed or mailed directly to my attention for incorporation in the Final Work Plan submittal.

Please note that the preconstruction meeting for this project is tentatively scheduled for 21 May 96 at 9:00 am at the Naval Station. The meeting is scheduled to be held at the ROICC office. Actual on-site construction activities are scheduled to commence the following week. Total project duration is anticipated to be eight weeks.

Please call me if you wish to discuss or have any questions. Thanks for your assistance with this project.

Art Wells
