Subj: INSPECTION OF INFORMATION REPOSITORY LOCATED IN VIEQUES
PUBLIC LIBRARY

1. On 1 May 96, Mr. Pedro Ruiz and Mrs. Damarys Irizarry visited the public library Jose Gauthier Benitez located at Vieques, with the purpose of inspecting the physical condition and location of the Information Repository for the Installation Restoration program. Mrs. Glorissette Carle, the librarian received them and showed where the documents are kept. The documents, which are a collection of information generated under the Installation Restoration program of the Naval Station, Roosevelt Roads, are properly located and available to the general public for review. The library will soon generate record cards for these documents which will facilitate locating the information.
