Dear Ms. Pedraza:

This is to officially request the movement of the documents related to the Installation Restoration Program, U.S. Naval Station, Roosevelt Roads, from the City Hall to Ceiba's public library. This was discussed with you and Mrs. Prieto, assistant librarian, on May 10, 1996 during Mrs. Madeline Rivera's visit. As discussed, the Naval Station is looking to provide some shelving to properly display the documents. The shelving may be delivered to the library in a future visit.

Should you have any questions, please contact Mrs. Madeline Rivera, Installation Restoration Program Manager, at 865-4429.

Sincerely,

  
S. CASTILLO  
Director, Environmental  
Engineering Division
