Draft RFI Work Plan for SWMU 3

Dear Ms. DiForte:

Baker Environmental, Inc. (Baker), on behalf of the Navy, is providing you with two copies of the Draft RFI Work Plan for SWMU 3. This document is being submitted in accordance with the conference call conducted between Mr. Timothy Gordon of your staff, Mr. Kevin Cloe (LANTDIV) and myself on November 20, 2001. The attached work plan is an addendum to the SWMU 3 portion of the EPA approved RFI Work Plan for Naval Station Roosevelt Roads submitted in September 1995. This work plan was modified to address changes agreed to during the November 20, 2001 conference call. It should be noted that funding has been appropriated for this work, therefore the work can proceed as indicated in the work plan proposed schedule once the work plan is approved.

If you have any questions regarding this submittal, please contact me at (412) 269-2009 or Mr. Kevin Cloe at (757) 322-4736.

Sincerely,

BAKER ENVIRONMENTAL, INC.
