Dear Mr. Everett:

Michael Baker Jr., Inc. (Baker), on behalf of the Navy, is pleased to provide you with one hard copy of the replacement pages for the Draft Corrective Measures Study Work Plan for SWMU 56, Naval Activity Puerto Rico, the Draft Corrective Measures Study Work Plan for SWMU 59, Naval Activity Puerto Rico, the Draft Corrective Measures Study Work Plan for SWMU 61, Naval Activity Puerto Rico, the Draft Corrective Measures Study Work Plan for SWMU 69, Naval Activity Puerto Rico, and the Draft Corrective Measures Study Work Plan for SWMU 74, Naval Activity Puerto Rico, for your review and approval. These replacement pages make up the Final Corrective Measures Study Work Plans for SWMUs 56, 59, 61, 69, and 74. Directions for inserting the replacement pages into the Draft Corrective Measures Study Work Plans for SWMUs 56, 59, 61, 69, and 74 are provided for your use. Also included with the copy of the replacement pages is one electronic copy provided on CD of the Final Corrective Measures Study Work Plans for SWMUs 56, 59, 61, 69, and 74, Naval Activity Puerto Rico. It should be noted that the CMS Work plan for SWMU 73 is not being submitted at this time as outlined in the Navy letter dated December 4, 2007 that was submitted to your office.

It should be noted that based on current information, the Navy plans to implement the CMS work plans in lieu of the new property owners. Therefore these work plans have been modified reflecting the Navy intent to implement these work plans instead of a third party. The only exception will be SWMU 73, which currently is planned for implementation by the Army Reserve instead of the Navy.

These documents are being submitted in accordance with the EPA comments dated October 2, 2007. The Navy responses to these comments are attached for your review. Additional distribution has been made as indicated below.
