**Subj: SWMU 57 DRAFT FULL RFI WORK PLAN EXTENSION REQUEST, NAVAL  
ACTIVITY PUERTO RICO**

Dear Mr. Gordon:

Per U.S. Environmental Protection Agency (EPA) letter dated 11 March 2011, you requested the Draft Full RCRA Facility Investigation (RFI) Work Plan for Solid Waste Management Unit 57 be submitted by 26 May 2011. The Navy is currently negotiating with our contractor, Tetra Tech, NUS, for the development of this work plan and associated field work. Additionally, this work plan will follow the Uniform Federal Policy Sampling and Analysis Plan format and will require a meeting with EPA and Puerto Rico Environmental Quality Board. Therefore, based on the above, the Navy requests an extension until 30 November 2011 for the submittal of subject document.

Should you have any questions, please contact me at (843) 743-2124 or by email at [mark.e.davidson@navy.mil](mailto:mark.e.davidson@navy.mil).

Sincerely,

A handwritten signature in black ink, appearing to read "Mark E. Davidson".
