Dear Mr. Gordon:

As discussed in our conference call on 3 May 2011, Baker Environmental will transition to Unified Federal Policy Sampling and Analysis Plans (UFP SAPs) commencing with the next new work plan to be developed. Thus, all new future Baker work plans, not already developed or currently under development, will be prepared under the UFP SAP format. The Navy is currently working to get Baker under contract for the preparation of UFP SAPs for Solid Waste Management Unit (SWMU) 27, 28, 29 Corrective Measures Implementation, and SWMU 60 and 79 Full RCRA Facility Investigations.

Should you have any questions, please contact me at (843) 743-2124 or by email at [mark.e.davidson@navy.mil](mailto:mark.e.davidson@navy.mil).

Sincerely,

A handwritten signature in black ink, appearing to read "Mark E. Davidson".
