**NAVY RESPONSES TO PREQB COMMENTS DATED OCTOBER 15, 2010
ON THE
RCRA 7003 ADMINISTRATIVE ORDER ON CONSENT QUARTERLY
PROGRESS REPORT FOR MAY 1, 2010 – JULY 31, 2010
DATED AUGUST 31, 2010**

PREQB COMMENTS

PREQB Comment 1: *Please include the status of SWMU 80 – Area Outside Building 207 in Table 1-1.*

Navy Response to PREQB Comment 1: Table 1-1 has been revised accordingly to include the status of SWMU 80.

PREQB Comment 2: *PREQB comments are not usually included in the report since they are being sent included within EPA comments. For this particular report, on Table 1-1, when discussing the status of AOC E, a sentence regarding receiving comments from EQB via e-mail was included. This creates the impression that those are EQB only comments received. Please remove or otherwise mention EQB comments received for each document.*

Navy Response to PREQB Comment 2: The sentence in Table 1-1 regarding receiving comments from EQB via e-mail has been removed.

PREQB Comment 3: *Section 2, instead presenting summary of findings, included a list of the report submitted during the period. EQB acknowledge that the findings are included in reports, but not all the listed documents are necessarily reports. Please revise the section to present accurate data.*

Navy Response to PREQB Comment 3: For subsequent RCRA Quarterly Progress Reports, Section 2 will only include a list of relevant report documents.
