PHONE NO.: (809) 865-2050

FAX NO. (404)872-3161 **FAX NO.:** (809) 865-2018

SUBJECT: Telephone line installation

ENCLOSURE: Site 15, map showing cable route

REFERENCE: Contract #92-D-3042 Remedial of Contaminated Soil Sites 15 & 16, Roosevelt Roads PR

REMARKS:

The NAVSTA Roosevelt Roads is installing a communication cable. The cable will run along Forrestal Drive to connect to the existing communication manhole at the South and East side of site 15 of the above referenced project.

A meeting was held to discuss new cable routing in the possible contaminated soil area. Please verify and provide test results to determine no contamination exists in the trenched area shown on enclosed map of site 15.

Below is a list of people present in the above mentioned meeting:

Joe- MILCON Rep. (KTR)
Chief Graham- Telephone Exchange
Tony Rivera- Telephone Exchange
Frank Cortez- ROICC PRA

Please contact me at your earliest convenience.

Sincerely,

Francisco Cortez
