Subject: Limited Scope Remedial Action Plan  
Site 5 Former Avgas System  
Saufley Field, Pensacola, Florida

Dear Mr. Schoolfield:

Tetra Tech, Inc. is assisting the Naval Facilities Engineering Command in investigating Site 5 at Saufley Field, Pensacola, Florida under Contract Task Order JM26. Attached is the Limited Scope Remedial Action Plan for Site 5 Former Avgas System that was revised per comments made by the Florida Department of Environmental Protection. In addition, the response to FDEP comments is also attached. The work plan details the work that will be performed to remove the petroleum-related constituent impacted soils that are present at concentrations that exceed Florida Soil Cleanup Target Levels per Chapter 62-777, Florida Administrative Code.

If you have any questions, please call me at (850) 385-9866, extension 1353.

Sincerely yours,

Frank Lesesne, P.G.  
Project Manager
