RE: Final Data Report, First Semiannual Groundwater Sampling Event, Site 4, Outlying Landing Field
Saufley Field, Pensacola, Florida.

Dear John:

I have completed my review of Final Data Report, First Semiannual Groundwater Sampling Event, Site 4, Outlying Landing Field Saufley Field, dated July 2014 (received July 23, 2014), prepared and submitted by Tetra Tech, Inc. The report is acceptable to the Department. However, the report should be titled as either the First Annual Groundwater Report or the Second Semiannual Sampling Event since data from both June 2013 and December 2013 are included in the report.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
