RE: Administrative Record Index Update Through January 8, 2010, Naval Air Station Whiting Field, USEPA ID #FL2 170 023 244, Milton, Florida (Tetra Tech NUS, Inc., January 8, 2010)

Dear Mr. Kissam:

I have received this Administrative Record Index Update which was dated January 8, 2010 and was delivered to me on January 11, 2010. This update includes the previous complete Record File and now also includes all known documents from September 10, 2009 to January 10, 2010. I believe this update would be considered the Quarter 2 update for Fiscal Year 2009-2010. This submittal satisfies Section XXVII, Administrative Record and Public Participation, of the NAS Whiting Field Federal Facilities Agreement which states "An index of Documents in the Administrative Record will be updated on at least a quarterly basis and provided to the USEPA and FDEP."

If you require additional clarification or other assistance, please feel free to contact me at 850/245-8999.

Sincerely,

John Winters, P.G.
