Mr. Robert V. Kriegel  
District Manager  
Northwest District  
Florida Department of Environmental Regulation  
160 Governmental Center  
Pensacola, FL 32501-5794

Dear Mr. Kriegel:

Our office is in the process of finalizing four reports dealing with environmental matters in the Florida Department of Environmental Regulation's (FDER) Northwest District area. These reports are being forwarded to your office under separate cover letters. We are also currently involved in renewing the Operating Permit for the wastewater treatment plant at Navy Public Works Center (PWC), Pensacola. The intent of this letter is to confirm a time to meet with members of your staff to discuss the matters mentioned above. As discussed during telephone conversations between Messrs. A. L. Chestnut and W. S. McAvoy of SOUTHNAVFACECOM and Messrs. Bill Kellenberger, Charles Goddard and Thomas Moddy of your staff, we will meet at your office on 17 and 18 December 1985 for this purpose. The following is our proposed meeting schedule.

17 December 1985

- 9:00 a.m. - Discuss final report of the Detection and Monitoring Program for the Battery Shop Site at NAS Whiting Field.
- 10:30 a.m. - Discuss the Verification Study Work Plan for NAS Whiting Field.
- 1:00 p.m. - Discuss the final report of the Characterization Study for NAS Pensacola.
- 2:30 p.m.- Discuss the final report of the Water-Quality Assessment Program at the Wastewater Treatment Plant for NAS Pensacola, Phase II.

18 December 1985

9:00 a.m. - Discuss the renewal of the Operating Permit for the  
Wastewater Treatment Plant at PWC Pensacola.

Should discussions on any of the above items become lengthy, we are prepared  
to move any meeting on the afternoon of the 17th to the 18th.

We look forward to meeting with your staff to discuss the items mentioned  
above. Should you have any questions or comments concerning this matter,  
please contact Mr. Chestnut or Mr. McAvoy at telephone number (803) 743-5510.

Sincerely,

**D. R. SPELL, P.E.**  
Head, Environmental Branch
