IN REPLY REFER TO  
1738-6  
SEP 2 1990

Mr. Kirk Lucius, Chief  
Site Investigation and Support Branch  
U.S. Environmental Protection Agency  
345 Courtland Street, N.E.  
Atlanta, Georgia 30365

Ref A: My ltr ear 1314 of 6 Sep 1989 with RI/FS Work Plan as enclosure

Dear Mr. Lucius:

In order for the Navy to maintain and perform its duties to protect the environment and public health it is necessary to assimilate comments and proceed with the RI/FS program.

If you have any comments concerning reference A, please notify us in writing no later than January 16, 1990 so that we can provide a written response before the next Technical Review Committee meeting.

NAS Whiting Field's upcoming Technical Review Committee meeting will be held in February. The purpose of this meeting will be to discuss comments received for the RI/FS Work Plans, as well as our response to those comments. It is our intent to finalize the RI/FS Work Plans based upon received comments and this meeting.

All comments should be directed to Mr. Ted Campbell (Coda 11515), Southern Division Naval Facilities, 2155 Eagle Drive, P.O. Box 10068, Charleston, SC 29411-0068

Sincerely,

K. G. JOHNSON  
Captain, U.S. Navy  
Commanding Officer
