Dear Mr. Nuzie: .

This letter is to reschedule the Technical Review Committee (TRC) which was previously set up for 3 and 4 April. Due to a previously arranged meeting, not all of the committee members were able to attend. We feel that all of our members are important players in this program and would like to see all members attend; consequently, the TRC meeting is now scheduled for April 10 at 9:00 a.m. and April 11, if needed.

If there are any questions or concern please feel free to contact Cindy W. Black, Environmental Manager at (904) 623-7181.

Sincerely,

K. G. JOHNSON
Captain, U.S. Navy
Commanding Officer
