3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Dear Mr. Mitchell:

Naval Air Station Whiting Field is pleased to submit Technical Memorandum one through six that presents results of the Phase I Remedial Investigation (RI) and the scope of work for Phase II-A. As a continuation of the RI Program, Phase II-A will follow the approved Phase I Work-plan with the exception of the proposed Phase II-A scope of work provided in Technical Memorandum six.

I would like to invite you to the Phase II-A Technical Review Committee (TRC) meeting scheduled for June 30, 1992 at 1:00 PM in the Family Service Center conference room, Building 3025, NAS Whiting Field, Milton, Florida.

If you have any questions concerning the material enclosed or the scheduled date and time of the TRC meeting, please call Mr. James Holland, Environmental Engineer on my staff at (904) 623-7181, ext. 49.

J. E. ECKART
Captain, U.S. Navy
