Subject **Naval Air Station (NAS) Whiting Field Installation Restoration Program Document Available for Review.**

Dear Mr. Dillon:

This letter is notification of the completion and availability of an Installation Restoration Program document for NAS Whiting Field, Milton, Florida. The document is titled:

Remedial Investigation and Feasibility Study Phase II-C Work Plan
Sites 3, 4, 30, 32, and 33
NAS Whiting Field, Milton, Florida

This document is available at the West Florida Regional, Milton Branch Library, 805 Alabama Street, Milton, Florida and at the NAS Whiting Field Public Works Office, Building 1418, 7151 USS Wasp Street, NAS Whiting Field, Milton, Florida. If you have any questions concerning the document or the environmental program in general, you should contact either The Public Affairs Officer, NAS Whiting Field (850/623-7651) or Mr. Jim Holland of the Public Works Department (850/623-7667 ext. 49).

Sincerely,

Phillip Ottinger, P.E.
Taks Order Manager
