RE: Final Feasibility Study - Site 2, Northwest Open Disposal Area, NAS Whiting Field

Dear Ms. Martin:

The above document dated December 1988 (received January 5, 1999) has been reviewed by Mr. Greg Brown, P.E., and myself and is acceptable. I am attaching Mr. Brown's certification of approval. Please submit a Proposed Plan for the site.

Thank you for the opportunity to review this document. If you have questions or require further clarification, please contact me at (904) 921-4230.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager

Memorandum

TO: Jim Cason, P.G., Remedial Project Manager, Technical Review Section

THROUGH: Tim Bahr, P.G., Supervisor, Technical Review Section **TB**

FROM: Greg Brown, P.E., Professional Engineer II, Technical Review Section **TB**

DATE: January 14, 1999

SUBJECT: Final Feasibility Study, Site 2, Northwest Open Disposal Area, NAS Whiting Field, Milton, Florida.

I reviewed the subject final document dated December 1998 (received January 5, 1999). I had reviewed an earlier draft version of this document dated June 1998 (received June 22, 1998). The subject final document is consistent with the earlier version, and it is adequate for its intent. I suggest it be considered final subject to U.S. EPA Region IV's concurrence. Mr. Frank Ullo, P.E., licensed Florida Professional Engineer No. 53227, is the engineer of record for this document. If you have any questions, please call me at (850) 488-3935.

Gregory M. Brown, P.E.
