RE: Draft Final Report on the Investigation at Sites 35, 36 and 37; NAS Whiting Field

Dear Ms. Martin:

I have reviewed above letter report dated February 3, 1999 (received February 10, 1999). We also discussed the document at the last Partnering meeting in Navarre. The report recommended additional assessment at all three sites; I concur and the report is acceptable.

Thank you for the opportunity to review this document. If you have questions or require further clarification, please contact me at (904) 921-4230.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
