Commanding Officer  
Western Division  
Naval Facilities Engineering Command  
P.O. Box 727  
San Bruno, CA 94066Attn: Code 405  
Jim Washington

Dear Mr. Washington:

As per the previous telephone conversation between Robert Samaniego of my staff and yourself, we anticipate placing tentative Waste Discharge Requirements for closure of the Alameda Naval Air Station Landfill on the agenda for the July 21, 1982 Regional Board meeting. If you have any questions please call Robert Samaniego at (415) 464-0699.

Sincerely,

A handwritten signature in cursive script, appearing to read "Fred H. Dierker", is written over a horizontal line.
