Dear Ms. Dizon:

We have received the Naval Air Station Alameda, Alameda, California Well Decommissioning Plan: 1943-1956 Disposal Area and West Beach Landfill Report of 29 January 1991 and letter of transmittal of 30 January 1991. The method proposed in the report for the destruction of the wells meets Zone 7 requirements.

If you have any questions, please contact me or Craig Mayfield at 484-2600.

Very truly yours,

J. Killinstad, Chief  
Water Resources Engineering
