Subj: SUMMARY REPORT FOR RI/FS PHASES 1 AND 2A, ALAMEDA NAVAL
AIR STATION, ALAMEDA, CA

Encl: (1) Final Data Summary Report for RI/FS Phases 1 and 2A dated August 25, 1993

1. Enclosure (1) includes substitute section pages for updating the Draft Final Data Summary Report (DSR) distributed December 1992. These inserts include responses to DTSC comments dated March 4, 1993 regarding the Draft Final DSR, which is labeled as Section 18. In consideration of the size (thickness) of the draft final document, these inserts are being distributed in the spirit of conserving paper, and so as to not needlessly duplicate text pages that were not altered from draft final version. Also included are new cover pages, front and end plates, and table of contents. These substitutions will finalize your draft final document as "Final".

Should you have any questions regarding these inserts or the "Final" document, the point of contact is Mr. Gary J. Munekawa, Code T4E2GM, (415) 244-2524 or Mr. George Kikugawa, Code T4E2GK, (415) 244-2559.
