Naval Facilities Engineering Command
Attn: Camille Garibaldi
900 Commodore Drive
San Bruno, California 94066-2402

Dear Ms. Garibaldi:

DRAFT ECOLOGICAL ASSESSMENT AND DRAFT REPORT AMENDMENT, NAVAL AIR STATION, ALAMEDA

The California Environmental Protection Agency, Department of Toxic Substances Control (DTSC) has reviewed the response to comments on the Draft Ecological Assessment and Draft Report Amendment. The Navy's response to our comments are adequate. We appreciate the Navy's consideration of combining evaluation of the remedial alternatives for NAS Alameda with other nearby Navy property (Response to DTSC comment 9).

If you have any questions regarding this letter, please call me at (510) 540-3809.

Sincerely,

Thomas P. Lanphar
Project Manager
Base Closure Branch
