Subj: COMMENTS FOR THE DRAFT REVISED 02 OU 4 ECOLOGICAL ASSESSMENT AND
DRAFT OU 4 FOLLOW-ON ECOLOGICAL ASSESSMENT WORK PLAN/FIELD
SAMPLING PLAN

1. The Draft Revised 02 OU 4 Ecological Assessment and the Draft OU 4 Follow-On Ecological Assessment Work Plan/Field Sampling Plan were sent to you for your review and comment on 31 July 1996. The document comment period would have closed on 31 August 1996, however several project team members did not receive the document until 5 August 1996. Therefore, the comment period was revised to close on 5 September 1996.
2. By 11 September 1996 no written comments had been received, although verbal comments had been given on a 3 September 1996 meeting. Several agencies were contacted by phone to request the status of these written comments. At the close of business 12 September 1996 one agency forwarded comments.
3. The Navy has extended the comment period to 20 September 1996 at which time the comment period will close. Responses to comments received will then be generated.
4. If you have questions or comments regarding this matter, please call me at 415-244-2596, or FAX 415-244-2654.
