Encl: (1) Replacement pages for the Final Quality Assurance Project Plan for the  
Electrokinetic Remediation Demonstration Alameda Point (Revision 1)

1. Enclosure (1) contains revised pages 2, 3, and 14 of the Final Quality Assurance Project Plan (QAPP) for the Electrokinetic Remediation Demonstration at Alameda Point which was provided to you on November 4, 1997. Please substitute these pages into the document.
2. In addition, please note that Geokinetics's work plan and bench-scale treatability study report (Attachments C and D of the QAPP) contain Confidential Information and are proprietary to Geokinetics International, Inc. 2. This QAPP was revised to incorporate new data from the bench-scale treatability study and comments on previous revision. If you have additional comments on this document, please provide them to me no later than November 18, 1997.
3. If you have any questions regarding this matter, I can be reached at (650) 244-2526 or FAX (650) 244-2774.
