Dr. Kent Udell
Berkeley Environmental Restoration Center
6165 Etcheverry Hall
University of California
Berkeley, CA 94720

Subj: BERC DELIVERY ORDER 004: ACOUSTIC IMAGING TASK

Dear Dr. Udell:

The Berkeley Environmental Restoration Center (BERC) has requested approval of the Acoustic Imaging task in Delivery Order (DO) 004 under Contract N62474-94-D-7430.

The Acoustic Imaging Safety Plan 2.1 has been reviewed by EFA West and accepted for safety with the following administrative exceptions:

1. Final draft Safety Plan must have a cover sheet that contains a "as of" date and an approval signature by the originator's reviewer.
2. Sec. 3.1, page 4. Requirement for a lifesaving skiff is not addressed in the plan.
3. Sec. 4.1, Par. 2, Sentence 1, page 6. A copy of the referenced Lockout/Tagout and Portable Electrical Safety Protocol should be provided as an attachment or a statement included that protocol will be available on site.
4. Sec. 4.1, Par. 2, Sentence 4, page 6. Recommend removal of sentence or correct reference. 29 CFR 1926.106 addresses Working Over or Near Water and not Live Electrical Work.

Upon receipt by EFA West of the signed and dated final draft Acoustic Imaging Safety Plan, field activities can commence.

If you have any questions, please contact Mr. Ken Spielman at (415) 244-2539, or FAX (415) 244-2654.

Sincerely,

Original signed by:

KEN SPIELMAN
Remedial Project Manager
By direction of
the Commanding Officer
