Dear Ms. Cook:

Subj: REQUEST FOR EXTENSION, OPERABLE UNIT 6, SITE 26 DRAFT PROPOSED  
PLAN, ALAMEDA POINT, ALAMEDA, CALIFORNIA

In accordance with the Alameda Naval Air Station Federal Facility Agreement, Section 14, the Navy is requesting an extension on the submittal date for the Operable Unit 6 (OU-6) Site 26 Draft Proposed Plan. This extension request documents our agreement of April 12, 2005.

Based on the Site Management Plan, of September 17, 2004, and subsequent extension stemming from your letter of September 23, 2004, the OU-6, Site 26 Draft Final FS was scheduled for submittal on January 3, 2005. Due to contractual issues, as well as the nature of the comments received, the Navy requested an extension of the due date to March 4, 2005 in order to thoroughly respond to all comments and to incorporate responses into the draft final document. On April 12, the Navy and the Base Closure Team had a conference call to discuss the upcoming Proposed Plan and agreed to extend the due date for the Draft Proposed Plan to June 13, 2005. Therefore, all due dates of future Site 26 documents would also be delayed by the same amount of time.

If you have any questions or comments, please call Ms. Glenna Clark at (619) 532-0951 or me at (619) 532-0907.

Sincerely,

THOMAS L. MACCHIARELLA  
BRAC Environmental Coordinator  
By direction of the Director
