Re: Skeet Range (IR Site 29) Evaluation Work Plan, Alameda Point

Dear Mr. McClelland:

EPA has reviewed the above referenced document prepared by Battelle, Entrix, Inc. and Neptune and Company and submitted by the Navy to the agencies on July 10, 2001. Dr. Ned Black, EPA's Region 9 ecology/microbiology expert, has reviewed the document. EPA has no additional comments on the document other than those provided by the State of California and the Natural Resource Trustees.

If you have any questions, please call me at (415) 744-2367 or Ned Black at (415) 744-2354.

Sincerely,

A handwritten signature in cursive script that reads "Anna-Marie Cook".

Anna-Marie Cook
Remedial Project Manager
