Dear Federal Facilities Agreement Members:

Subj: REQUEST FOR EXTENSION, INSTALLATION RESTORATION SITE 2, DRAFT FINAL
REMEDIAL INVESTIGATION REPORT, ALAMEDA POINT, ALAMEDA, CALIFORNIA

In accordance with the Alameda Naval Air Station Federal Facility Agreement (FFA), Section 14, the Navy is requesting a 30-day extension on the submittal date for the IR Site 2 Responses to Comments (RTCs) and the Draft Final Remedial Investigation (RI) Report.

Based on the Site Management Plan (SMP), of October 5, 2005, the IR Site 2 Draft Final RI was scheduled for submittal on April 24, 2006. According to the FFA, Section 14.2 (e) allows the Navy to request an extension due to unusually extensive public comments received on the draft document. The new deliverable due date for the Draft Final RI with RTCs will be May 24, 2006. This will allow the Navy to thoroughly respond to all comments, and to incorporate responses into the draft final document. All due dates of future IR Site 2 documents would also be delayed by 30 days.

If you have any questions or comments, please call Mr. Andrew Baughman at (619) 532-0902 or me at (619) 532-0907.

Sincerely,

A handwritten signature in black ink, appearing to read "T. Macchiarella", written over a white background.

THOMAS L. MACCHIARELLA
BRAC Environmental Coordinator
