RE: Draft Time-Critical Removal Action Memorandum at CERCLA Site 13, Alameda Point

Dear Mr. Macchiarella:

EPA has reviewed the above referenced Action Memorandum and has no comments. We therefore concur with the Action Memorandum and commend the Navy for installing the fence around Site 13 to reduce exposure to the tarry refinery wastes there.

Please call me at (415) 972-3029 if you have any questions.

Sincerely,
