Subject: Comments on the Spring 2006 Alameda Basewide Annual Groundwater Monitoring Report

Dear Mr. Macchiarella:

Upon review of the *Spring 2006 Alameda Basewide Annual Groundwater Monitoring Report*, dated October 2006 we have the following comment:

General – With all the data within these two volumes of the report presented in pdf format only, data analysis or comparison of sites is extremely time consuming. If these tables were also provided in Excel format on the report's CD-ROM, it would make all of these data more accessible and greatly facilitate the review of monitoring results.

Please contact me at (510) 622-2355 or email ersimon@waterboards.ca.gov if you have any questions.

Sincerely,

Erich Simon
Project Manager
