Dear Mr. Fourt:

This letter summarizes the Naval Auxiliary Landing Field (NALF) Crows Landing conference call conducted on January 27, 1993. The purpose of the call was to discuss the on-site disposal of investigation-derived wastes at NALF Crows Landing. The following participants were involved in the conference call:

Robert Fourt - Stanislaus County, Department of Environmental Resources
Michael Mosbacher - California Regional Water Quality Control Board
James Pinasco - Department of Toxic Substances Control, Region 1
Camille Garibaldi - Western Division, Naval Facilities Engineering Command
Neil Bingert - PRC Environmental Management, Inc.

As agreed by the conference call participants, the investigation derived will be disposed on-site in accordance with the procedures outlined in the Site Investigation Waste Disposal Proposal for NALF Crows Landing dated July 24, 1992.

Should you have any questions or concerns regarding the above, please feel free to contact Ms. Camille Garibaldi at (415) 244-2516.

Sincerely,
