Ser 09ERIHC/L4406  
21 Sep 1994

From: Commander, Western Division, Naval Facilities Engineering Command  
To: Distribution

Subj: REPORT DISTRIBUTION FOR NAVAL AUXILIARY LANDING FIELD CROWS  
LANDING, CA

Encl: (1) Draft First Quarterly Groundwater Monitoring Report  
(2) Draft Site Investigation Report

1. Enclosures (1) and (2) are provided for your use, information, and comments. Please note that both draft reports were prepared with analytical data that have not been validated. Any changes resulting from the data validation process will be incorporated into the final and final versions of the reports..
2. We request that all comments be submitted to this Office no later than close of business 7 November 1994. This 45 days review period is already a 15 days extension from the Navy usual internal 30 days review period on draft documents.
3. Should you have any questions regarding this matter, I can be reached at (415) 244-2562.
