Subj: INVESTIGATION AT CROWS LANDING FIRE FIGHTING SCHOOL SITE

Encl: (1) Draft report on Site Investigation Crows Landing Fire Fighting School, Crows Landing, California, 23 Jun 87

1. Enclosure (1) is the draft report prepared by our contractor, ERM-West, concerning the investigation of the Fire Training Site at Naval Auxiliary Landing Field, Crows Landing. Please review enclosure (1) and provide comments to us by 15 July 1987. After the report is finalized, copies must be sent to the California Regional Water Quality Control Board, California Department of Health Services and the Environmental Protection Agency.
2. The investigation found soil contamination in the immediate vicinity of the fire training site and recommended removal of soils down to about 10 feet in depth. No groundwater contamination was found at the site.
3. Should you have any questions regarding this investigation, the point of contact is Commander, Western Division, Naval Facilities Engineering Command (Attn: Mr. Wayne Olsen, Code 1142K, (415) 877-7497).
