**DRAFT FINAL PROBLEM ASSESSMENT REPORT, NAVAL AUXILIARY LANDING
FIELD, CROWS LANDING, STANISLAUS COUNTY**

I have reviewed the 31 July 1997 *Final Remedial Investigation Report (RI), Installation Restoration Program (IRP)* and Tetra Tech's responses to my comments on the *Draft Remedial Investigation Report, Installation Restoration Program* for the Naval Auxiliary Landing Field in Crows Landing.

Tetra Tech adequately addressed my comments on the *Draft Remedial Investigation Report, Installation Restoration Program* and also incorporated its responses to my comments into the *Final Remedial Investigation Report, Installation Restoration Program*. Therefore, the RI IRP report may now be finalized.

If you have any questions, you may call me at (916) 255-3049.
